

Evangelical Lutheran Christus Geminde Cemetery Estuary, Saskatchewan.

The cemetery is located in the NW 02-23-28-W3, about one mile south of the town site at the top of the hill on the west side of road. As at March 18, 1995, this graveyard is enclosed with a new barbed wire fence. Many of the graves have not been tended to in many years, I suspect that many of the families of those interred here are long since moved away. About half the graves are marked. The town of Estuary, Saskatchewan, has disappeared almost totally, one finds it hard to locate any landmarks that indicate where this once proud, bustling, railway town stood. The church records were found at Trinity Lutheran Church Leader, Saskatchewan, and were made available to us by Reverend Mark Tiefenbach.
