### **Newburg Evangelical Cemetery First location Irvine, Alberta.**

Organizational activities for this church started in 1907, under the direction of Reverend Domm, a missionary from Ontario. The church was built on NE 16-10-02-W4 and dedicated July 03, 1905, with Reverends IS. Domm and Bell, and Superintendent Wagner officiating. This was a mission church served from Memorial Evangelical Church at Medicine Hat, Alberta. The same pastor served churches at Wisdom, Little Plume, Gros Ventre and Newburg. He would conduct a service every second week, traveling by car until road conditions halted his progress. He would finish his trip with a borrowed horse or the members would assist with a team and buggy.

With the general decline in farm population the membership dropped to a point where the church ceased its operation 1945.

In 1959, through the efforts of Hillcrest Christian College, work began on the Cypress School and an old school house was moved from the Woolchester area to the SE 04-10-02-W4. Services continued until 1970 when the small congregation decided to again close the church. All assets including the building were sold. All that remains at the two locations are badly neglected cemeteries.

This cemetery is located at the junction of township road 102 and range road 23, or two miles east and nine miles south of Irvine, Alberta. The legal land description is SE 16-10-2-W4. All services were conducted in German. Pastor August Schneider served from April 1950 to 1952. This parish also included churches at Graburn and

## **St. Peter's German Latvian Cemetery, Irvine, Alberta.**

The congregation of this church was organized in 1897 through the efforts of Hans Rebane, from Boston, Massachusetts. The application to register forty acres as church and cemetery property was made about 1901, by this time five burials had already taken place.

The constitution was adopted in 1902, congregational officers elected, and the church built in 1903. Pastor Sillak accepted the call to serve as traveling missionary in July 1903, he continued as vacancy pastor for the Latvian part of the congregation.

The absence of a German speaking minister of the Missouri Synod, caused nearly all of the congregation to join the Ohio Synod. The Latvian portion of the congregation was in existence until 1945. The building was dismantled in the late 1940's.

This cemetery is located two hundred yards south of SH 515 on the east side of range road 31 or one mile west and eleven miles south of Irvine, Alberta. Legal land description is NW 36-09-03-W4. The plot is protected by a good barb wire fence but grass has not been cut in years. There is a concrete marker with following inscription: St. Peter's Evangelical Lutheran First settlers 1888. ## **Vockeroth Family Cemetery, Irvine, Alberta.**

This tiny cemetery is located 100 yards north of township road 120 on range road 30, just northwest of Irvine, Alberta. It is nestled between a row of fir trees and a white fence right on the western edge of range road 30. The property, SE 01-12-03-W4 is owned by Mr. Harvey Aman. Mr. Traugott Stehr gave us directions for this plot. This cemetery is invisible from the road as there is no fence and the one marker is a flat metal headstone.

We believe about four burials occurred here as there is one indentation besides three pieces from metal markers. It seems that some of the markers have been removed. The one legible marker reads: "Hier ruhet in Gott, Juliana Vockeroth ehgattin des heren Henry Vockeroth geboren 31 December 1877, in Wohlina, Russland, gestroben 18 Mai 1906, in Irvine, Alberta, Canada. Text Hebrew 4:9 "Es ist noch eine ruhe vorhanden dem volke guttes."
