

Liebenthal SK

Josephstal Catholic Church and Cemetery, Liebenthal, Saskatchewan.

This neat one acre cemetery is located about 150 yards west of the graveled gird road three miles west and two miles south of Liebenthal, Saskatchewan, in NE 24-19-26- W3. The congregation from the Liebenthal Catholic Church takes care of the well fenced plot. You must cross a cultivated field to reach the property which was once part of a much larger property that housed a church as well. We cross referenced two lists and gathered the information from the grave markers to verify the burials at this site. Many graves are unmarked; several are marked with wrought iron crosses, but lack any statistical data. This cemetery was active from 1915 until 1959. As at April 24, 1997.

Rosenthal Catholic Church and Cemetery, Liebenthal, Saskatchewan.

This plot is located six miles east, two miles south and one and a half miles east of Liebenthal, Saskatchewan. The cemetery is in a low lying area, during a site visit July 03, 1997, we had to walk the last half mile as the prairie trail was under water. It is now obvious why the church was moved, this site can at times, be

surrounded by water. The Rosenthal Catholic Church was moved from this its original site two miles west and two miles south, its name was changed to St. Johannes, also known as st. John's or Johnsboro. The two acre plot is well maintained, has a good chain link fence, all the graves are marked, many with a plain white metal cross. Many graves are covered with shrubs, they are spreading to cover a good portion of the plot. Legal land description is NE-23-19-25-W3.
