Ukrainian church and cemetery, Prelate, Saskatchewan.

This congregation was formed in the early 1920's, and formed the parish known as the Ukrainian Orthodox of St. John. Church services were in the Raychyba home for a number of years, then later in the Prelate Community Hall. Founding families of the church included the following;

Charnetski, Raychyba, Babitski, Palynchuk, Filyk, Palamar, Dola, Kanasewich, Krym, Hladych, Sorochnka, Skorobahach, Baron, Bozak, Faichuck and Salik.

The church for this Ukrainian congregation built in the late 1940's was located in Prelate, as at July 03, 1997, it was being dismantled piece by piece, thus ends another era. The church was actually a community hall renovated to become a church.

The beautiful cemetery sits atop a high hill just south of the South Saskatchewan River on NW 11-25-23-W3 six miles north of highway #32 at Prelate. The grass was recently cut inside the page wire on metal post enclosure. The location is highlighted by a large iron cross in the center of the plot, immediately east of the cross is an enclosure surrounded on three sides by bushes, inside this enclosure is a large mound of earth and two beautiful, large white grave markers.

Many of the white rock grave markers are inscribed in Ukrainian, thirty five graves are marked with these stones or have some other form of marker without inscriptions. It seems that the majority of the graves are ancestors of about ten families. The plot is still active.
