

Congregational Church and Cemetery Gros Ventre

The church and cemetery are situated on a hill south of Medicine Hat, Alberta. Travel south on Eagle Butte Road to township road 94, then two and one half miles east to legal land description SW 29-09-04-W4. As at September 06, 1996, a broken-down log church was still on site; one could still see painted walls in the doorways.

The original church building was the vacant home of Johannes Rath which was moved to this site, the homestead of Christian Stuber. Mr. Stuber had donated the property. Ten teams of horses were used to move the heavy log structure.

Some of the founding families were Christian Seitz Andrew Rath, William Krauss, Adam Stuber, Johannes Stuber, Erhardt Stuber, Frederick Rabb and Frederick Jesse.
