

NEW HOME CEMETERY – MANYBERRIES, ALBERTA, CANADA

SW24-06-05-W4

Coordinates: 49.47988, - 110.56153

Located in the County of Forty Mile. Directions are the intersection of Township Rd 63 and Range Road 50A. It is in a fenced area southwest of the intersection in a farmer's field with the assumption that it is on private property.

There is a memorial cairn but the lettering is hard to read and photograph. Each grave that does not have a headstone, has a white cross but with no names.

Find A Grave states that it is predominately German speaking settlers that are buried there. The County of Forty Mile maintains the cemetery.
